RECORD CLUB OF AMERICA

YOU ARE INVITED TO
JOIN IN AN ENTIRELY
NEW CONCEPT OF
RECORD BUYING:

THE FIRST RECORD CLUB TO OFFER SAVINGS ON EVERY LP MADE!
STEREO OR MONAURAL * AMERICAN OR FOREIGN * WITHOUT LIMITATION

For the first time a record club has recognized the right, and indeed the need, of its members to exercise their complete individuality of taste. For the first time the whole range of recording has been made available at maximum savings. Instead of offering predigested selections of records--or single categories of records--or a limited selection of labels, Record Club of America offers the entire Schwann catalog as our selection list.

This means you, as a member, may choose Capitol, RCA, Columbia, Decca, Angel, Westminster, Deutsche Grammophon or any one of more than 300 labels. You may mix classical, pop, jazz, folk music, show tunes--any category--without restriction. And you may order when you please, as often as you please, and as many as you please. At last, here is the record club without restrictions.

Already more than a quarter of a million happy record buyers and many of America's leading schools and libraries have discovered this exciting new way to save. And now you have the same opportunity.

The folder enclosed will give you the complete details, but here are just a few of the highlights that make the Record Club of America truly unique.

There are no purchase requirements! You may buy one or a hundred records and still pay the lowest prices in the United States for each.

You have unlimited choice--over 30,000 albums are listed in the Schwann catalog and you can save as high as 45 to 70% on manufacturer's listed prices on any one of them. What's more, your Schwann Catalog is constantly updated through lists of new releases sent to you regularly in the Club's own publication, DISC, which Record Club members receive at no cost. This lively and informative magazine includes news of all current Record Club "Double Discount" specials, new releases, and also offers stimulating feature articles and interviews by the nation's foremost music critics.

Once you join, you're a lifetime member--you don't have to renew your membership every year, pay an annual fee, or reinstate your membership.

All records are factory new--in the original record cover. We guarantee satisfaction, or replacement will be made instantly, and without question.

And very significant--The Record Club of America is not only different from every other record club, it has a distinct advantage over every other source for record purchasing--your savings are never dependent on what one dealer or one group may have in stock; your savings are assured on any record available from any manufacturer at any time with Record Club of America!

\$ 5.79 LP's never cost more than \$ 3.69

\$ 4.79 LP's never cost more than \$ 2.99

\$ 3.79 LP's never cost more than \$ 2.39

AND WITH RECORD CLUB'S "DOUBLE DISCOUNT" SPECIALS YOU WILL FIND BARGAINS LIKE THESE:

\$ 3.79 CAPITOL, COLUMBIA AND RCA VICTOR BEST SELLERS, \$ 1.99

\$ 5.79 VOX, WESTMINSTER AND RCA VICTOR CLASSICALS, \$ 1.77

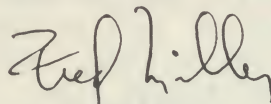

\$ 5.79 ATLANTIC, AUDIO FIDELITY AND VERVE ALBUMS, \$ 1.99

What can the Record Club of America mean to you? It means for the first time you can build an entire library at the lowest prices in the United States. It means you can own and enjoy only the records you want--specializing in your favorite single category of music or experimenting with the entire variety of recorded sound. It means this one Record Club can provide the whole family with pleasure. The Record Club of America includes children's labels, the spoken word, sacred music, rock and roll. It means, once and for all, unrestricted savings, unmatched convenience and unrestricted enjoyment. I certainly hope you will take advantage of it.

Becoming a member couldn't be simpler. Read the complete information enclosed and then fill in and mail the membership application today in the handy postage-paid envelope.
